Serial No. : 10058970  
Applicant : Perkowski  
Filing Date : 1/28/02  
Date of Notice : 1/11/08

## NOTICE TO FILE CORRECTED APPLICATION PAPERS

### *Notice of Allowance Mailed*

This application has been accorded an Allowance Date and is being prepared for issuance. The application, however, is incomplete for the reasons below:

Applicant is given 2 months from the date of this Notice within which to correct the informalities indicated below. If the informality pertains to the abstract, specification (including claims) or drawings, the informality must be corrected with an amendment in compliance with 37 CFR 1.121 (or, if the application is a reissue application, 37 CFR 1.173). Such an amendment may be filed after payment of the issue fee if limited to correction of informalities noted herein. See Waiver of 37 CFR 1.312 for Documents Required by the Office of Patent Publication, 1280 Off. Gaz. Patent Office 918 (March 23, 2004). In addition, if the informality is not corrected until after payment of the issue fee, for purposes of 35 U.S.C. 154(b)(1)(iv), "all outstanding requirements" will be considered to have been satisfied when the informality has been corrected. A failure to reply will result in the application being ABANDONED. This period for reply is NOT extendable under 37 CFR 1.136(a).

The specification filed 1/28/02 includes brief descriptions of Figs. 3A16 (p. 72 ll. 13-15) and 3A19B (p. 73 ll. 5-9). These figures are not present in the drawings filed 8/6/02.

Prime marks and other indicia are missing after some figure and part references. While the Office has not reviewed the entire specification due to its length, the following deficiencies have been found. Correction is required.

- p. 65 ll. 16 & 18: 2A should be 2A'.
- p. 69 l. 23: 3A3 should be 3A3'.
- p. 70 l. 5: 3A4 should be 3A4'.
- p. 95 l. 11: 19 should be 19A.
- pp. 109-113 (at least): there are large spaces not caused by line justification after citations of "Java Web Server[s] 11". The drawings show (at least) Web Servers 11', 11", 11'" and 11''''.

If additional corrections to the specification of the types above are necessary, Applicant should include those corrections in the amendment submitted in response to this Notice.

*A copy of this notice **MUST** be returned with the reply. Please address response to*

***"Mail Stop Issue Fee, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450".
